

# Wyatt Snyder

Wyatt.Snyder@baylor.edu — 405-625-2027

## Education

---

### Baylor University

**Major** — Computer Science

**Secondary Major** — Mathematics

**GPA** — 3.61

*Expected Graduation*

*December, 2019*

**Relevant Coursework** — Data Structures, Systems Programming, Introduction to Computer Systems, Intro to Algorithms, Database Design, Software Engineering I, Intro to Java, Data Communications, Computational Theory

**Current Coursework** — Machine Learning, Operating Systems, Software Engineering II

## Experience

---

### Accio Data, Computer Science Intern

*June 2018 - August 2018*

- Modified company's dynamic and static web pages to create a more mobile-friendly experience.
- Created automated testing via Cypress for various web pages throughout the website.
- Implemented responsive design to a legacy code base, working with back-end logic to re-factor sections of the code to be more readable and understandable.

### Baylor University, Student Athlete Tutor

*August 2017 - Present*

- Assisted student athletes in their academics by strengthening their understanding of subject material in topics of computer science and mathematics.
- Worked with individual students throughout the semester.

### LightSys, Code-a-thon Mission Trip

*Spring Break 2017*

- Worked on a team to design an android app that would send prayer requests to missionaries in persecuted countries.
- Set the foundation for the app by using software engineering practices such as analysis and design, implementing use cases and sequence diagram models.

### Additional Employment

- Waiter at Pelicans restaurant

*March-July 2016, June-July 2017*

- STEM Tutor at Rose State College

*September 2015 - July 2016, June-July 2017*

- Private Piano Instructor

*March 2015 - July 2016*

## Technical skills

---

**Programming** C++, C, Java, Ruby, MySQL, L<sup>A</sup>T<sub>E</sub>X, HTML, CSS, Git, Perforce

## Leadership and Organizations

---

Eagle Scout, ACM, Upsilon Pi Epsilon

### Co-Founder and President of Baylor Unicycling Academy

- Worked with vice-president to organize and oversee weekly meetings.
- Taught members how to ride a unicycle, and guided them in practice.
